COMPLETION LETTER

This is to confirm that Mr Sreehari Pulickamadhom Sreedhar (University ID number: U7322074) has successfully completed the requirements for the award of Master of International and Development Economics at The Australian National University.

The student commenced their program on January 1, 2024 and successfully completed the requirements for the Master of International and Development Economics on December 3, 2025. If they have not done so already, the student will be eligible to graduate at the next graduation ceremony.

The program was solely conducted and examined in English by The Australian National University, located in Canberra, Australian Capital Territory.

Please note that the official confirmation of completion and awarding of degrees can be found on the official ANU Transcript of Academic Record and the Australian Higher Education Graduate Statement.

Sincerely

Alison Francis
Senior Program Coordinator
